Dear Dr. Lederberg:

I was pleased to have your letter of June 25th and very much appreciate your satisfaction with the way the matter has been resolved. We were able to catch a printing that was about to go through the press and effect the necessary changes with all references to Stanford changed to Berkeley and, of course, this will hold for all future editions since the changes have been made in the plates from which the book is printed.

With all best wishes to you.

Yours faithfully,
for ALFRED A. KNOPF, Inc.
